

# **MANSFIELD FISH AND GAME ARCHERY RANGE RULES**

## **A. BOWS**

1. All bows, including crossbows, re-curve and compound bows are allowed.
2. No firearms of any kind allowed.

## **B. ARROWS**

1. Target and field points only.
2. Broadheads or hunting points are allowed to be used only on targets owned and furnished by the shooter.

## **C. TARGETS**

1. Paper targets only to be used on the provided target houses.
2. Targets must be placed away from the edge of the structures.
3. No glass, tin cans, bottles etc.
4. Targets designed for and used for hunting practice which are owned by the archers can be used on the range.

## **D. GENERAL RULES**

1. No one is allowed down range until the range is declared all clear.
2. No smoking is allowed on the archery range.
3. Eye and ear protection is not required equipment on the archery range.
4. No cutting or any tools are to be used on targets for the removal of arrows.
5. The arrow points must be of the same diameter as the arrow shaft.
6. No defacing of targets or any other property.
7. No drawing of any bows with an arrow unless the bow is pointed down range.
8. The Archery range will be closed when the pistol range is in use behind the main building.
